TO ALL PROBUS CANADA PRESIDENTS AND CLUBS

On behalf of PROBUS CANADA I want to stress that the Board is well aware of the conditions that the Covid-19 has inflicted on all our Clubs. Even the Annual General meeting for PROBUS CANADA, slated for early May, is being questioned.

Seniors are the most susceptible to the virus. Travel and sports events have been cancelled around the world. The question is "What is the best scenario for us to follow"?

This must be determined individually by all Clubs. Keep an eye on your Provincial Gov't web site for excellent recommendations dealing with your area.

By now, hygienic suggestions are well known to all of us. Please be sure to frequently remind your members. Another excellent source of information which is provided by the Canadian Government, is "Risk Informed Decision Making for Mass Gatherings During Covid-19 Global Outbreak". You can find it at: <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/health-professionals/mass-gatherings-risk-assesment.html>

Our thoughts are with you and all PROBIANS. Remember what really matters is 'health and safety around the world'.
